

Employee Evaluation

PERSONAL INFORMATION

Employee Name: _____

Supervisor: _____

Position: _____

Store/Department: _____

Review Period: _____

Evaluation Date: _____

INSTRUCTIONS

For each of the following factors, input the score for the performance rating. Points are assigned to each factor based on the selected rating. An average is then calculated for each category and assigned a performance level from the table below. You should make comments in the space provided to support and ensure the employee's understands of the rating.

<i>Performance Measures</i>	Below Expectations	Meets Expectations	Exceeds Expectations
Definition	<i>Did not consistently and effectively meet expectations</i>	<i>Consistently and effectively met expectations</i>	<i>Consistently and effectively exceeded expectations</i>
Rating Scale	1	2	3
